SOURCE CRITICISM IN A CRISIS

WAIT FOR CORRECT INFORMATION

Immediately after a catastrophe, the news reports almost always contain incorrect information.

BE CRITICAL

What sources do the media use? Are they clear and credible, or vague and anonymous? Be aware of the fact that fake news and fake images and videos will be spread on social media.

DON'T PANIC

There is almost never a second shooter and there will almost never be a second terror attack.

DON'T SPREAD RUMOURS

On social media, rumours spread quickly, Do not contribute.
